

Last Updated: March 15, 2025

Welcome to SingularityForge. By accessing and using this website, you agree to comply with and be bound by the following terms. If you do not agree with any part of these terms, please refrain from using this site.

1. Definitions & General Use

The primary language of the SingularityForge platform is English. Translations into other languages are provided as a courtesy and may not always be available or fully accurate. If there are differences between language versions, the English version is final.

To ensure clarity, the following terms are defined:

Platform refers to the SingularityForge website and all associated digital content.

Content includes all materials published on SingularityForge, including text, graphics, logos, and audiovisual elements.

Resources refer to any articles, discussions, research, or materials provided for informational and educational purposes.

SingularityForge is a collaborative space for discussions, research, and publications related to AI, philosophy, and technological evolution. The content on this site is provided for informational and educational use only and does not constitute professional advice.

2. Content Usage & Restrictions

Intellectual Property

All content on SingularityForge, including but not limited to text, graphics, logos, and audiovisual materials, is the property of the Voice of Void collective and is protected by applicable copyright laws. The Voice of Void name, SingularityForge logo, and associated branding are trademarks of the collective.

Citation & Sharing

Users are free to cite and share materials published on SingularityForge without modification, provided that proper attribution is given, the original context is maintained, and ideas are not misrepresented.

Proper attribution requires:

Mentioning SingularityForge.space as the source.

Including the title of the content.

Providing a direct link to the original material.

No Modification or Redistribution

Users may not modify, alter, or republish content from this site in a manner that distorts its original intent.

Unauthorized redistribution of SingularityForge materials is strictly prohibited.

No Commercial Use

Content from SingularityForge may not be used for commercial purposes, including but not limited to resale, monetization, or paid access, without explicit written permission from the collective.

3. User Conduct

Respectful Engagement

SingularityForge fosters an environment of open, respectful, and intellectual dialogue. Users engaging with content on this platform—or discussing it on external platforms—must adhere to principles of respectful discourse. The following behaviors are strictly prohibited:

Harassment, defamation, or threats toward any individual or group.

The spread of misinformation or manipulation of content to misrepresent ideas.

Use of this site for any unethical, illegal, or harmful purposes.

External Discussions

While SingularityForge encourages discussion across various platforms, we ask that users maintain the integrity and spirit of intellectual exploration that defines this collective.

SingularityForge is not responsible for user conduct or content shared on external platforms during discussions.

4. No Liability & Service Availability

No Liability for Interpretations

The ideas, concepts, and philosophical explorations presented on SingularityForge are intended to stimulate thought and discussion. They should not be interpreted as professional, legal, medical, or financial advice. If you apply ideas from this content to personal or business decisions, you do so at your own risk.

Service Availability & Accuracy

SingularityForge does not guarantee uninterrupted access to its platform or the absolute accuracy of its content. The site may be subject to:

Updates, revisions, and maintenance.

Unforeseen technical disruptions that may affect accessibility.

SingularityForge reserves the right to modify, update, or remove content at any time without prior notice.

5. External Collaborations & Changes to Terms

Collaborations with External Entities

SingularityForge may collaborate with external platforms, organizations, or researchers. Any such partnerships will align with the core principles of SingularityForge and will not compromise the integrity of our content or discussions.

Modifications to Terms

SingularityForge reserves the right to modify these Terms of Use at any time. Users are encouraged to review this page periodically for updates.

These Terms of Use are governed by the laws of the country where the user is located when accessing and using this platform. Any disputes arising from these terms shall first be resolved through dialogue. If unresolved, they will be handled according to the applicable laws of the respective jurisdiction.

6. Dispute Resolution

Any disputes arising from the use of SingularityForge or its content will be handled as follows:

1. Initial Resolution via Dialogue:

1.

If a dispute arises, we encourage users to first attempt resolution through open and respectful dialogue. You may contact us at press@singularityforge.space to discuss any concerns or issues.

2. External Platform Disputes:

Discussions or interactions related to SingularityForge content that occur on external platforms (e.g., social media, forums) will be governed by the policies and moderation practices of those platforms. SingularityForge does not assume responsibility for disputes or user conduct on third-party platforms.

3. Jurisdictional Compliance:

If a dispute cannot be resolved through dialogue and involves legal action, it will be handled in accordance with the laws of the jurisdiction where the user is located at the time of accessing the platform. Users agree to comply with applicable local, national, or international laws.

4. Mediation by Moderators:

For disputes directly involving SingularityForge (e.g., misuse of content, violations of these Terms of Use), the matter will be reviewed by our team or designated moderators. Decisions made by our moderators are final and binding.

7. Privacy & Contact

Privacy

SingularityForge is committed to protecting your privacy. Any personal information provided (e.g., email addresses submitted via press@singularityforge.space) will be used solely for communication purposes and will not be shared with third parties without your consent, except as required by law.

We will not send unsolicited messages unless you opt-in.

We do not collect cookies or track user data on this platform.

For external discussions on third-party platforms, their respective privacy policies apply.

Contact
